## **INTERSTELLAR ALLIANCE SOCIAL EXPERIMENT STEP 1:**

**Do not engage in any conversations about conspiracy theories.**

**Do not post or read any such theories.**

**Remain neutral.**

**Do what you can to learn the actual facts of any situation, no matter how long that takes.**

**Do not accept people's opinions and statements as facts without substantial evidence.**

**Many people believing or saying the same thing is not evidence.**

**Some conspiracies exist, but not all are true, no matter how "real" they may feel.**

**Do not speculate about which parts of a conspiracy theory may be accurate or true.**

**Do not buy into any rumors out of fear or a need to belong.**

**Ignore peer pressure to believe a conspiracy theory.**

**Use common sense and rational discernment to choose what you believe regarding any rumors.**

**Do not believe second or third-hand information. Always check with the original source if possible.**
